When: April 16th, 2025 Wednesday starting at 3:30pm (30min earlier start because of daylight hours)

Race start is 3:30pm with the following schedule. **Please arrive at least an hour early.**

- ***This event will use separate start times for each division, based on registration numbers. Riders will begin at staggered intervals starting from 15:30pm.***
- All participants will complete an untimed climb to Stage 1 and Stage 3 of the Enduro race, totaling 460m of elevation gain over two climbs, with a combined climb distance of approximately 9.5 km.
- ***Riders queuing at the beginning of the timed stages will be directed to start at intervals of 10 to 30 seconds, depending on safety considerations.*** Start intervals will be determined by the course marshals, and all riders must follow their instructions.

*******Please note the following:*******

1) Riders should wear appropriate protective equipment in addition to helmets, such as gloves, knee pads, and elbow pads. Riders should pre-ride the course in advance. Coaches must ensure that each athlete's bike is in sound working condition prior to the race. **Riders are required to wear their helmets while climbing and descending.**

2) Awards, socializing and refreshments will be held at the base of the Smith Creek staging area behind the parking lot.

3) **As it is a Public Recreational site, some parking will be reserved for the public. Make sure you follow the instructions of the parking attendant!** If you find that the lot is full, please parallel park alongside the right-hand side of the road **past** the parking lot.

4) No dogs please.
